- 4) Minutes**

It was **resolved** to approve the minutes of the previous meeting of the Parish Council of Monday 2014 and these were signed, as an accurate record of the meeting, subject to the removal of the phrase ‘... regarding share of employment land ...’ in the third bullet point in Item 6(c) .
- 5) Adjournment of up to 15 minutes for members of the public to raise matters**

Mr Sandercock informed the meeting of his objection to the Caradon Trail markers. The parish council agreed that there had been a problem with lack of consultation in installing the markers and that it had already expressed concerns which were now being addressed by Cormac.

Mr Richard Crocker, leaseholder of Lantoom Quarry, gave a comprehensive explanation of and responded to members’ questions regarding the application at Item 8(a)(i). He clarified that it was not an application for development as approval has been in place for a number of years. He emphasised his wish to work closely with Cornwall planners to reach a range of conditions that will be satisfactory to the company and to the neighbourhood. He informed members that there would be neither blasting nor crushing on the site and that he would observe government guidance on noise nuisance including that related to large vehicle movement. He does not foresee an imminent increased demand in the market for stone products and therefore the likelihood of extraction is minimal, particularly as cheaper material can be imported.
- 6) Reports from and matters of concern to:**
  - a) **Police representative of ‘Liskeard Have Your Say’ (LHYS)** Crime statistics for February were down on the same period for 2013. One case of a dog attacking sheep on Minions Moor was reported and one of nuisance calls in Linkinhorne. Enquiries continue in both cases.

- b) **Cornwall Councillor McWilliam**  
CCllr McWilliam reported that Cornwall Council was taxed funding Adult and Social Care services and is having to decide which services to protect and which to cut.  
She was pleased to announce that the long-awaited cattle grid was now in place but the potholes at Halwinnick Butts would have to wait until the newly-sprung springs dried up, otherwise any repairs would be quickly undone.  
She thanked Cllr Martin for the 'walkabout' at Minions, and Cllrs Martin and Hordley for volunteering to join the Emergency Planning forum.
- c) **Reports from other councillors (other meetings, conferences)**  
Cllr Martin reminding members that she would be attending the Cornwall AoNB conference. She noted that there was a Neighbourhood Plan theme and suggested that one of the NDP group might also attend.  
Cllr Hearn reported that he had attended the CALC AGM where the PCC, Tony Hogg talked about his approach to crime and policing in his area.
